**Kindergarten News:**  
**Mrs. Martinez & Mrs. Olivieri**

Thank you for the generous donations for our bake sale, and to all the parents who helped out. It was a big success! We will host another bake sale in the spring. We have been hard at work Reading and Writing our ...AT family words. We will continue with this word family and then move on to another after Thanksgiving. Our Math has focused on finding the bigger or smaller number in a given set. Our next chapter will focus on numbers 6 to 10. We are looking forward to our Thanksgiving luncheon, which will be on Wednesday, November 27th. A reminder that this is a half-day, and the children will be dismissed at 12:50 pm. School will be closed on Thursday and Friday for Thanksgiving Recess. We look forward to seeing you at the upcoming conferences.

**Upcoming Events:**

**November 27:** 1:00 Dismissal

**November 28 & 29:** No School -  
Thanksgiving Recess

**December 3:** Evening Parent  
Conferences 7:00pm-9:00pm

**December 9:** Winter Concert 7:00pm

## First Grade News: Mrs. Davis and Ms. Rapp

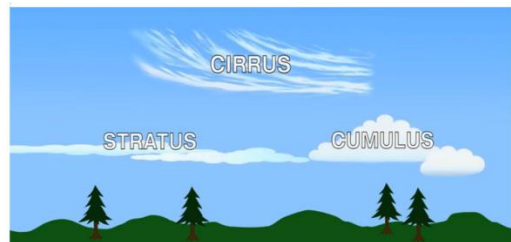

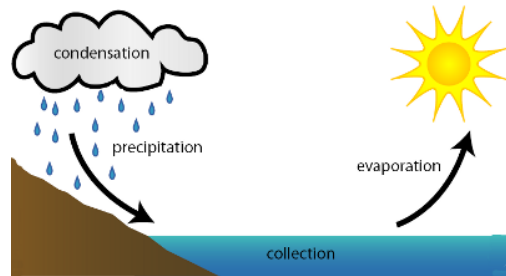

The First graders have been working on story elements and story maps. In Writing, we are continuing with personal narratives. Addition strategies are the focus in Math. Please practice the Math facts on IXL. Also, please log into Raz-Plus to access leveled books for your child. We look forward to meeting with you at conferences on December 3rd.

## Second Grade News: Ms. Manzo and Ms. Thiemann

Our Second graders have been hard at work learning all the responsibilities of being a Second grader. Students have been working diligently learning story elements and creating story maps for our guided reading and leveled stories. All Second graders should be logging in to A to Z each night to improve their reading skills. As part of our writing program, Freddy and Teddy the bear go home with their writing journal to each of our student's home. Second graders look forward to that special moment when Officer Rob selects who Freddy and Teddy will go home with each weekend! Students have successfully been working hard at learning two digit addition, with and without regrouping. Students should continue to use the IXL program to enhance their learning experience. In Science, we learned many important topics about weather, clouds, and the water cycle. We enjoyed the many hands-on projects that will be completed in the month of November which are focused on weather, clouds, and the water cycle. Please remember, each child should be reading for at least twenty minutes, and they should practice the Math facts each night. We look forward to seeing you on Parent Conference night! Have a wonderful weekend!

## Third Grade News: Mrs. Betesh and Mrs. Houston

Superheroes love adventures, and this month's adventure includes scavenger hunts through non-fiction books. We have explored periodicals, encyclopedias, cookbooks, newspapers, textbooks, biographies, etc. We began by finding and then exploring text features in each of these books, and will end their trip by writing their own research-based non-fiction paper. In the meantime, we will be reading a multitude of non-fiction books. To information and beyond! During the next few weeks, our Math class will be learning how to multiply with the factors 2, 3, 4, 5, 6, 7, 8, 9, and 10. You can expect to see homework that provides practice with multiplication facts and strategies. Third Graders, please remember to practice your multiplication facts!

### Important Vocabulary Words to Practice:

**Associative Property of Multiplication-** The property that states that when the grouping of factors is changed, the product remains the same.

**Distributive Property-** The property that states that multiplying a sum by a number is the same as multiplying each addend by the number and then adding the products.

**Multiple-** A number that is the product of two counting numbers.

**Music News:  
Mr. Arendt**

**Winter Concert  
Monday, Dec. 9, 2019 @ 7:00PM**

All music students have been working diligently toward our Winter Concert. We have some great talent that we'll be showcasing. Come out to support the music students at Lincoln School. They'll be glad you did!

Some times to remember:

**Band students** should bring their instruments with them to school on Monday, December 9. We will be performing for the school, as a concert rehearsal. Please wear your regular clothes.

The evening concert is scheduled for 7:00PM. Pre-concert rehearsal for **band students** is scheduled for **6:00 PM**. Please try to be on time. I suggest you eat dinner around 5:00pm, so you'll have energy and time to digest. Please wear a white top, dark pants or skirt, and dark shoes.

**Chorus students** (4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> graders) will also be performing for the school on Monday, December 9. Please wear your regular clothes.

The evening concert is scheduled for 7:00PM. **Chorus students** should arrive at **6:30** to warm up and to get in line. Try to eat early, so you'll have energy and time to digest. Please wear a white top, dark pants or skirt, and dark shoes.

Break a leg,

Mr. Arendt
