

# LINC LN SCHOOL

## NEWSLETTER

Week of December 5, 2022

Dr. Stephen Ferraro  
Principal

Phone: (201) 994-1830

### Upcoming Events:

**December 23rd - 1:00 pm Dismissal**

**December 24th - January 2nd - No School -  
Winter Recess**

### Ms. A. Lane

This month, we have been working on identifying numbers 1-10 in Math. In Reading, we have been practicing the letters of the week, Ss and Tt. This month, we also have been introduced to learning classroom jobs, such as delivering the mail, sharpening pencils, and sorting fruits and vegetables. It has been a fun-filled learning month in Ms. Lane's class.

## Mrs. Bush

December is here! With the colder weather approaching, we have been learning all about winter weather, and the clothes we wear to keep us warm. An exciting month full of many holidays and traditions is keeping us busy, while we learn about how our friends and families celebrate the holidays. Our Reading groups are in full swing, learning about sight words, word families, and long vowels! Our Math skills are emerging too! Adding, subtracting, counting, and ten

frames are just some of the skills we are working on. Last week, we attended a Santa Train ride! It was so much fun! Check out the photos of us having a great time with Santa and friends!

## Ms. K. Lane, Ms. Sinclair, and Ms. J. Jackson

December has been a blast so far in Kindergarten! We got to visit the Book Fair, and pick awesome books to read. This week, we visited the Holiday Shop, to buy some gifts for our friends and family. We have also been working hard every

day, learning and exploring. In Phonics, we have been working on forming letters, rhyming, and beginning and ending sounds. In

Math, we are counting, and building numbers to 10, as well as exploring shapes. In Reading and Science, we are learning all about reindeer through stories, and we are starting our illustration unit in Writing, where we are working on creating a story through pictures. We are also now taking books home every week to read with our families, because it is so important

for us to read every night. We can't wait to see all the fun the rest of this month will bring!

## Mrs. Capazzi

Mrs. Capazzi's students continue to work diligently on a daily basis, to develop their math and language arts skills. We are so proud of their efforts and accomplishments. We all have so much to be thankful for this holiday season. The students are now enjoying learning about different holiday traditions. The dreidel game is a class favorite! A very special thanks to All School Special Needs, who helped arrange for us to go on a magical Santa train ride. This event is sponsored by Railmen for Children, an

organization made up of train conductors and engineers, who fundraised money throughout the year for this amazing event. The students and teachers had a blast riding the train with Santa, and so many other characters. This was a trip we will never forget! Wishing all our Lincoln School families good health and happiness this holiday season.

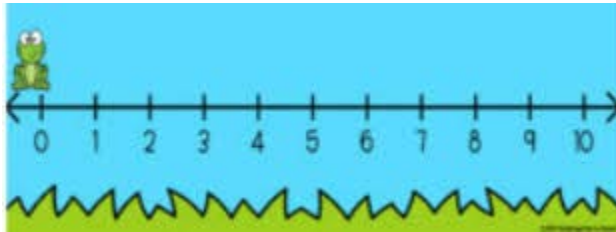

## Mrs. Davis and Ms. Rapp

We have been very busy in First Grade! The children are working on reading and writing words that have digraphs (sh, ch, th). For Reading, we are continuing to work on story elements. The children are identifying the characters, setting, problem, and solution in a story. We have been working on fun holiday writing activities, and completing

crafts to go with them. In Math, we just finished learning about addition

strategies, and now we are working on subtraction strategies. Children are using a

number line, counters, and cubes to solve math equations. We wish everyone a Happy Holiday, and a Happy New Year!

## Ms. Manzo and Mrs. Olivieri

The students have been working hard in Second Grade, enthusiastic for upcoming holidays and themed projects! Students have immersed themselves in fiction text, seeing how a particular author or illustrator uses key words and illustrations to help convince their reader that the imaginary setting and characters really exist! They have also been working on identifying strong messages in folktales, to teach important lessons reflected through unique illustrations and characters. The Second Graders have made an addition and subtraction strategy tree, and will be moving into the next math topic, which is subtraction. Our Social Studies unit on Our Nation's History is complete. We will move onto our Science unit, and learn about animal habitats and adaptations. As the holidays approach, we will be learning about, and embracing, a wide array of cultures and festivals, including Hanukkah, Christmas, Kwanzaa, and Eid. Much excitement lies ahead in Second Grade as the new year swiftly approaches!

## Mrs. Cruz Betesh, Mrs. Houston, and Ms. Schupak

Dear Third Grade Family,

As we begin Topic 4: Use Multiplication to Divide, your child is using fact families to learn division facts. A fact family has one or two multiplication facts, and one or two division facts that use the same three numbers. For example, below is the fact family for 5, 9, and 45.

$$9 \times 5 = 45$$

$$5 \times 9 = 45$$

$$45 \div 9 = 5$$

$$45 \div 5 = 9$$

**FACT FAMILY**

Three numbers that create two multiplication and two division problems

$$2 \times 3 = 6$$

$$3 \times 2 = 6$$

$$6 \div 2 = 3$$

$$6 \div 3 = 2$$

MULTIPLICATION			
1x1=1 1x2=2 1x3=3 1x4=4 1x5=5 1x6=6 1x7=7 1x8=8 1x9=9 1x10=10 1x11=11 1x12=12	2x1=2 2x2=4 2x3=6 2x4=8 2x5=10 2x6=12 2x7=14 2x8=16 2x9=18 2x10=20 2x11=22 2x12=24	3x1=3 3x2=6 3x3=9 3x4=12 3x5=15 3x6=18 3x7=21 3x8=24 3x9=27 3x10=30 3x11=33 3x12=36	4x1=4 4x2=8 4x3=12 4x4=16 4x5=20 4x6=24 4x7=28 4x8=32 4x9=36 4x10=40 4x11=44 4x12=48

9x1=9 9x2=18 9x3=27 9x4=36 9x5=45 9x6=54 9x7=63 9x8=72 9x9=81 9x10=90 9x11=99 9x12=108	10x1=10 10x2=20 10x3=30 10x4=40 10x5=50 10x6=60 10x7=70 10x8=80 10x9=90 10x10=100 10x11=110 10x12=120	11x1=11 11x2=22 11x3=33 11x4=44 11x5=55 11x6=66 11x7=77 11x8=88 11x9=99 11x10=110 11x11=121 11x12=132	12x1=12 12x2=24 12x3=36 12x4=48 12x5=60 12x6=72 12x7=84 12x8=96 12x9=108 12x10=120 12x11=132 12x12=144

Your child should continue to practice multiplication facts each night. Here's a website they can use to practice:

<https://www.timestables.com> .

Happy Holidays!

<p style="text-align: center;"><b>Sympathy</b></p> <p><b>Noun</b></p> <p>To acknowledge that someone is distressed.</p> 	<p style="text-align: center;"><b>Empathy</b></p> <p><b>Noun</b></p> <p>To actually understand how someone else is feeling.</p>
